Comprehension is the next step in developing children's composition and writing skills once they have become confident readers. The programme offers 30 weekly modules, specially written to link reading and writing activities to carefully levelled texts. 16 of the modules are linked to published quality fiction and non-fiction children's books. The accompanying Read Write Inc. module offers activities which provide practice in reading, writing and spelling, and consolidate the pupils' knowledge through comprehension and guided composition. The illustrated children's books, of which this is one, that accompany 16 of the Comprehension modules can all be purchased from Oxford University Press in the same way as the module packs.
