Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Goldoni s Comedies Moliere s keenness of observation, is devoid of his bitter satire. Both have the same movement and life, the same intuitive perception of what will please the public, the same sense of dramatic proportion. Goldoni was, however, less happy than Moliere as regards the times in which his lines were cast. The French dramatist, like Shakespeare, was born at an age in which his fatherland was traversing a glorious epoch of national story. The Italian lived instead in the darkest period of that political degradation which was the lot of the fairest of European countries, until quite recently, when she emancipated herself, threw o? the chains of foreign bondage, and proclaimed herself mistress of her own lands and fortunes. And manners and customs were no less in decadence in private as well as in public, - a sad epoch, truly, though to outsiders it looked light-hearted and merry enough. Goldoni s lot was cast in the final decades of the decrepitude of Venice, the last of the Italian proud Republics, which survived only to the end of the eighteenth century, indeed dissolved just four years after her great dramatist s demise. His long life comprised almost the whole of that century, from the wars of the Spanish Succession, which open the history of that era, to the Peace of aix-la-chapelle and the French Revolution. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
