THE REMAINING FACTORS: SEEKING ETERNAL TREASURES (PAPERBACK)

AUTHORHOUSE, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is a great inspiration for people who are seeking comfort and peace to the world economic crisis. This book addresses people who have had a good relationship with God and somehow got lured back into the world. These same Christians know that God is so good and greatly desire restoration, but they have become too weak to stand again. In short this book is great for the backslider. Also, it is a strong tool for people who think there is a God, but never had a genuine relationship with Him. I have named these gifts, The Remaining Factors. Christians should be all the more eager to show these gifts to whoever they want to see in eternity, that in some way they might impart eternity into those hearts they treasure the most. By doing so, they are storing up treasures in heaven. The objectives of this book become quite simple after faith, hope, and love are clearly identified as The Remaining Factors. First faith, hope, and love are clearly defined and described in function. Next, a modern and true example of gifts...
