HOW ARE WE TO CONFRONT DEATH?: AN INTRODUCTION TO PHILOSOPHY (PAPERBACK)

Fordham University Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Confronting death means looking it squarely in the face. Contemporary society refuses to do so, preferring to hide it and hide from it. Funeral rites no longer function as a way to mediate death or to maintain a link between the living and dead. Today the disappearance of certain funerary practices attests to the denial of death as such. They reflect a preference for focusing...

Reviews

This publication will not be easy to get going on reading but really exciting to read through. it was writtem really perfectly and beneficial. I found out this pdf from my i and dad suggested this publication to find out.

-- **Garrett Adams**

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Mrs. Josiane Collins**
