*A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.

Pitch Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Eibar the Brave: The Extraordinary Rise of la Liga's Smallest Team, Euan McTear, Sociedad Deportiva Eibar is the Basque side from a passionate football town one-third the size of the Camp Nou. Eibar the Brave tells the amazing Cinderella story of La Liga's smallest club, which has seen Barcelona and Real Madrid playing top-tier football at Ipurua, the 5000-capacity stadium that Eibar calls home. Promotion-party pitch invasions are not uncommon; but the night of 25 May 2014 saw a promotion with a difference, involving a wildly unorthodox club. There weren't enough fans to cover the pitch. The celebration was 45 minutes after the final whistle. The team was wearing their away kit despite having played at home. And Eibar could still potentially be relegated! Having followed Eibar and witnessed the madness first-hand, Euan McTear documents the club's first season in La Liga and discusses all the pieces put into place over the years to make 2014/15 a season like no other.
