

The Complementary Therapist's Guide to Conventional Medicine

By Clare Stephenson, Angela Hicks, John Hicks

Jessica Kingsley Publishers. Hardback. Book Condition: new. BRAND NEW, The Complementary Therapist's Guide to Conventional Medicine, Clare Stephenson, Angela Hicks, John Hicks, Offering a systematic comparative approach to Western and Eastern medicine, this unique textbook enables students and practitioners of complementary medicine to develop a core understanding of conventional medical language and treatments. Practitioners of complementary medicine increasingly find themselves working alongside conventionally trained doctors and nurses. This book is a guide to conventional medical diagnoses, symptoms and treatments, and, using examples drawn from the author's experience and knowledge of Traditional Chinese Medicine, it encourages reflection on how these diagnoses may be interpreted from a more holistic medical perspective. It includes introductory sections on physiology, pathology and pharmacology, chapters devoted to the physiological systems of the body and the conventional approach to the treatment of diseases that can affect them, and information on dealing with patients in practice. Accompanying online material, including self-testing questions and answers and checklists for revision, is available for those wishing to use the text for systematic study.

Reviews

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Mazie Johns IV**

The ebook is fantastic and great. I am quite late in start reading this one, but better then never. I am just pleased to inform you that this is the greatest book i have got study inside my personal daily life and could be he best pdf for at any time.
