

The Book of Business Etiquette (Paperback)

Filesize: 7.98 MB

Reviews

It is really an remarkable ebook that we actually have ever read through. I actually have study and i also am confident that i am going to gonna study once more yet again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The best of us get on one another's nerves, even under ordinary conditions, and it takes infinite pains and self-control to get through a trying day in a busy office without striking sparks somewhere. If there is a secret of success, and some of the advertisements seem trying to persuade us that it is all secret, it is the ability to work efficiently and pleasantly with other people. The business man never works alone. He is caught in the clutches of civilization and there is no escape. He is like a man climbing a mountain tied to a lot of other men climbing the same mountain. What each one does affects all the others. Show Excerpt their respect for the ladies, whom it was their duty to serve. And nearly every other ceremony which has lasted was based on common sense. Etiquette, as Dr. Brown has said, with all its littlenesses and niceties, is founded upon a central idea of right and wrong. The word courtesy itself did not come into the language until late (etiquette came even later) and then it was used to describe the polite practices at court. It was wholly divorced from any idea of character, and the most fastidious gentlemen were sometimes the most complete scoundrels. Even the authors of books of etiquette were men of great superficial elegance whose moral standards were scandalously low. One of them, an Italian, was banished from court for having published an indecent poem and wrote his treatise on polite behavior while he was living in enforced retirement in his villa outside the city. It was translated for the edification of the young men of England and France and...
