Management Books 2000 Ltd, United Kingdom, 2009. Paperback. Condition: New. Language: N/A. Brand New Book. Everyone has their own personal brand essence - their own marketable identity which defines the way that their employers, colleagues and customers perceive them; the trick is to find out what it is - and what it can become. This book is designed to help people to assess what their personal brand is, and the actions they should take to build and develop that brand. It explains how to use the principles of brand management to build your brand and increase its visibility and perceived value. Personal Brand Essence offers a completely new approach to career development which is already producing surprisingly powerful results. The book will help readers to accelerate their career progression, and enhance their value in the employment marketplace. It is an essential reading in the current economic climate.
