Coles notes, 2000. Paperback. Book Condition: New. New Ingram The Renaissance Theatre Company presents an extraordinary, unabridged dramatization of Shakespeare's tragic play, with a cast that includes Sir John Gielgud in the title role, Kevin Branagh, Emma Thompson, Bob Hoskins, Dame Judi Dench, and Gerard Depardieu. Book available. --This text refers to an out of print or unavailable edition of this title. From the Publisher A king foolishly divides his kingdom between his scheming two oldest daughters and estranges himself from the daughter who loves him. So begins this profoundly moving and disturbing tragedy that, perhaps more than any other work in literature, challenges the notion of a coherent and just universe. The king and others pay dearly for their shortcomings--as madness, murder, and the anguish of insight and forgiveness that arrive too late combine to make this an all-embracing tragedy of evil and suffering. --This text refers to the Mass Market Paperback edition. About the Author William Shakespeare lived between 1552-1616, but his work endures and is enjoyed the world over. --This text refers to the Audio Cassette edition.
