

An Agile Adoption and Transformation Survival Guide (Paperback)

By Michael Sahota

Lulu.com, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book provides a set of essential thinking tools for understanding Agile adoption and transformation: how they differ and what you need to know to avoid being another statistic in the widespread adoption failure. In particular, you will learn how to use culture to work more effectively with your organization. It is called a survival guide since so many people have found the concepts to be invaluable in understanding their experiences when working with Agile. This book includes: Identification of causes of the widespread Agile adoption failure A model for understanding Agile, Kanban, and Software Craftsmanship culture An outline of key adoption and transformation approaches A framework to help guide when to use these these approaches with your organization Real-life case studies of what has worked and what hasn't.

Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better than never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Aliya Franecki**

This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
