The fear of public speaking is the most common fear and actually prevents many people from achieving their great potential. Imagine if you were comfortable with speaking in public and took every opportunity presented, how would your life improve? Whether you are a student required to speak in the speech class, a manager requested to do a sales presentation or a friend asked to give a eulogy in a funeral, there are many benefits of public speaking as it's a great way to gain exposure, self-confidence, and success. Every great speaker started out as a poor one, what made them a success was their willingness to take a chance, try again, and view every opportunity as a learning experience to becoming a confident and competent speaker. This book is about the amazing 10 speeches of the author, a competent communicator in the renowned public speaking club, Toastmasters International. The speeches are wonderfully arranged and are in themselves thought provoking that will surely incite readers to rethink about their own realities. While this book basically revolves around ten speeches, the intention of this author is to bring the empowering messages of all the speeches to as many audience, listeners and readers possible. The topics discussed here are as timely and relevant today as they are yesterday and tomorrow. It is by this author's deep sincerity and aspiration that by mere sharing of his messages, as presented in his speaking engagements and now in this book, he will initiate conceptual ripples which will positively impact our world and make it a better place to live in. Hopeful that the messages will go a long long way and time. Yet more to it, this...
