Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This book is a remarkable description of the development and the journey of Occupational Therapy. It is described in a unique manner through the eyes of a professional, drawing on experiences gained in various countries and clinical settings. . The book will be read with interest by patient's families, all health care students, and medical practitioners, who will be enlightened further, and gain significant understanding of patient care. - Emeritus Professor Tuviah Zabow, Retired Head of Psychiatry, Cape Town, South Africa. I was most impressed with the very extensive coverage of occupational therapy as an important modality to help so many people of all ages and different disabilities and backgrounds to regain function, and return to productive life. -Norman Samuels, M.D., Part-time Medical Director and Retired Obesity Surgeon, Florida, USA. Occupational Therapy is one of the world's best-kept secrets. Undervalued by much of the medical establishment, Occupational Therapy offers hope to those who have none. Occupational Therapy is a holistic, drug-free intervention that creates meaning, purpose and quality of life. Healing Your Life Through Activity - An Occupational Therapist's...
