Xlibris Corporation, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It was a simpler time. It was a quieter time. Spears and it becomes the instrument of an odyssey from naivete to maturity. On his months-long journey he is schooled in the various aspects of shipboard life. From fellow sailors he learns about life in other regions of the United States and finally has his first, successful sexual encounter while in Scotland. Toward the end, his journey turns tragic as a couple of crewmembers die in horrible ways. Even though Chris was a direct witness to one of the deaths, with the help of his Division Officer he learns to accept what happened and...
