

Swing Trading: 3rd Edition (Paperback)

By Tony Pow

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Swing trading is defined by me to hold stocks for less than 3 months. Some rocket stocks will have their upward trends for years and they will be turned into long-term holding. We need to search for stocks with good upward trend potential at the sacrifice of fundamentals. However, we should stay away from stocks that are heading to total loss. The major categories for Swing Trading are sector rotation described in Book 1 and Momentum described in Book 2. Book 3 describes common tools to find and evaluate stocks. For a long time, my sector rotation annuity has been appreciated many times and the momentum portfolio is my best performed percentage wise. Exit most equities in a plunging market and return when the market recovers. Book 5 Market Timing describes in detail. Basic technical analysis from simple techniques that require no charting to sophisticated techniques is described in Book 4. Book 6 describes miscellaneous topics that are important to investing such as the economy, global economy (emphasizing on China) and politics. This book is intended for a retail investor and I...
