*A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).*

Wordmaster Books, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.All Tracy ever wanted was a normal, peaceful family. However, her family was far from normal or peaceful. From Beginning to End is the story of one girl's struggle to survive and eventually thrive in spite of a dysfunctional family. Book one follows the story of Tracy Diaz, the daughter of an alcoholic mother and workaholic father who survives unimaginable abuse. This story creates a powerful portrait of a family torn apart by alcoholism leading to physical abuse. The author provides a realistic portrayal of the impact of addiction on a family. But it is also the inspiring story of recovery through the Grace of God.
