The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Excerpt from *Poems: Original and Translated, Including the First Iliad of Homer* Poetry is a drug, and a preface a bore, and yet here we have the twofold abomination. The drug-character of poetry is truism of some standing and yet not true: truism as touching all middling versifying in all its various degrees downwards, including the present volume; but false, as spoken of true poetry which can never relax its hold upon man's heart, while hope, fear, love, the feelings and the passions, house therein. Witness the world-wide sensation kindled whenever some master-spirit takes the lyre in hand Such deep heart-haunting wonder as hath won By his weird songs the gifted Tennyson. With this passing protest on the qualified sense in which the poetry-drug dogma should be taken, may I be allowed to show cause for obtruding the double infliction, and explain first, wherefore the present volume at all? and secondly, wherefore with a preface? To which will the candid reader accept the following for an answer? About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
