Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.

Condition: New. Ships From Canada. Trade paperback (US). Glued binding. 333 p. Audience: General/trade. From Library Journal: This book's positive philosophy should help encourage women facing breast surgery to take an active role in determining the course of treatment. The book begins with brief descriptions of available treatments, ranging from lumpectomy to total mastectomy, including radiation, chemotherapy, and reconstructive surgery, and a glossary of terms is provided. The bulk of the book consists of in terviews, reproduced in a loose question-and-answer format, with women who have had these procedures and with physicians specializing in various forms of treatment. Most libraries probably already have a number of titles on the subject, but if there is a need for further material, this book offers a unique approach and is well organized. A complementary book is Deborah H. Kahane's *No Less a Woman: Ten Women Tell the Truth About Breast Cancer*, LJ 5/15/90, inspirational first-person stories of b.
