First. the overall orientation of moral education in schools. the school must assume full responsibility of moral education. In some Western countries. the church and other institutions and places for families and communities bear the task of the moral education of children and adolescents. Can really care about the social reality of the country. schools. families. and society and the emphasis on the education of the children's moral growth forces school. So. our school moral education is a heavy responsibility. but must actually be put into action. our schools neglect or even abandon the moral education. the consequences could be disastrous. Second. the principle of moral education. character education emphasizes comprehensive infertility and full of educating people and called on all aspects of school education students should be the factors and forces. Especially the United States Character Education 100 ways. of our Moral Education instructive. Third. character education does not deny the role of formalized education. Some educational theory too idealistic. abstract. general educators face these theories and disoriented. Book in the interpretation of the character education theory. fully aware of this issue. the book follows the theory with the practical principles of entire areas. provides a variety of educational case for the majority...
