This book is really gripping and fascinating. Of course, it is actually play, nonetheless an interesting and amazing literature. You will not feel monotony at anytime of the time (that's what catalogs are for about if you request me).

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is a collection of short stories and flash fiction. There is no specific genre that binds these texts, and there is no overarching theme either. The stories that make up this book vary in tone and genre, ranging from horror, to comedy, to romance, to action-adventure, and everything in between. You'll read about everything from: The Sex lives of famous Philosophers like Nietzsche and Plato. An incredibly upper class restaurant, driven and visited by antropomorphic animals with a very dark secret. A noble knight from the medieval ages ressurected by the Grim Reaper into the modern age, for no other reason than to amuse Death himself. A simple story of a boy who had his heart shattered into a million pieces, figuratively of course. A children's tale about an Owl who is afraid of the dark and a Fox who does not eat meat. To truly unravel the secrets behind the pages of Overwhelming Fantabulous Wonderment, you must first dive in.
