P. B. Shelley: A Defense of Poetry, and Other Essays (Paperback)

By Professor Percy Bysshe Shelley

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Shelley took his place within the vatic history of mythopoetic bards and bore the Visionary legacy. He offered a simple spark of poetry to his audience while promising a raging fire would burn if the poetry was nurtured correctly. However, Shelley realized that most people cannot accept the poet s offering (for various reasons; ignoring, rejecting or misunderstanding) and they let that spark smolder into nothing. Shelley shouts into his written words, leaving his hard-earned knowledge of the human condition and his visionary plight for willing human ears. Shelley paints himself as the Visionary, sound and steady within a wisdom that understands the suffering beauty of the human condition, who sits as a tranquil star to burn as heavenly light. Shelley s hope is to guide humanity through the dark night of doubt and fear towards the possibility laying dormant within being human. This volume contains the following essays: A Defence of Poetry On Love On Life On A Future State On the Punishment of Death, A Fragment Speculations on Metaphysics Speculations on Morals Essay on the Literature, The Arts, and the Manners...
