Dog Ear Publishing. Paperback. Condition: New. 336 pages. Dimensions: 9.5in. x 7.5in. x 0.9in. GOVERNMENT OF DECEIT ---- The most important book you will read this year. ---- America has one last clear chance. ---- If enough Americans understood what is in this book, they would fundamentally change the government - the right way. ---- Read it as if your way of life depends on it. . . It does. ---- VOTE on November 2nd. After the real estate meltdown, McConnell, a businessman and numbers guy researched what just happened This book is a result of that research and is actually 4 books in one. Brief History - Only the relevant major events, which led to where we are now, are chronicled. Governmental Finances and Numbers - He uses many visual aids as he hacks through government finances and numbers. He removes spin and provides perspective to make them understandable. Governance - The layers of the governmental onion are peeled back. McConnell explains what has happened and how government really functions today. Our Culture and Society - A brief review of what has become of our reality. A few of the stunning things you will learn: The entitlement programs have an unfunded liability of greater than 104 trillion. Your share is 367, 000. (Every man, woman and child owes the same. ) At the end of 2009, 3. 2 trillion of the 12. 9 trillion National Debt was spent, but never on the governments general budget. Where did 3. 2 Trillion dollars go In 2010, the federal government is borrowing 52 cents of every dollar that it spends on general operations. Just to balance the budget, spending will have to be cut by 52. Over the next four years, the federal government needs to borrow at least 3. 9 trillion and...
