John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, The Living Dead: Switched Off, Zoned Out - The Shocking Truth About Office Life, David Bolchover, Switch on the business news and you will probably be bombarded with yet more workplace experts telling you that everyone nowadays is grossly overworked, madly juggling their work-life balance until they finally keel over and die from the sheer stress of it all. We all know that's right, don't we? The real truth is that there are millions upon millions of people who are actively disengaged from their jobs, who spend months and years sitting in offices doing next to nothing, lost in the cracks of laughably inefficient and abysmally managed large organisations, their talents wasted and long forgotten. The Living Dead unmasks the myth of the workplace for the first time. It tells the truth. Not cloaked in humour, as in Dilbert and The Office, but in plain black and white. The Living Dead will captivate anyone anywhere in the world who has ever worked in a large office environment, or those who have a genuine desire to make people's working lives more productive and enjoyable. Here are some astonishing statistics about office life you probably never knew: *40 per cent of all casual drugs users in the US (people who use drugs just once a month) still choose to do it at work. 19.6 per cent of people who take drugs at work do so at their workstation. * One in three mid-week visitors to the theme park Alton Towers has taken the day off work on a dishonest pretext. * One in five US workers has had sex with a co-worker during work hours. Full sex, that is. 44 per cent of men and 35 per cent of women have...
