Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Part of Rheims in the Making of the English Bible In this latter work the Rhemish version again finds a place; but, strange to say, the Bishops Bible - the most abundant of the sources of the Authorized version - is not included. Another version of primary importance, the Genevan, is also left out: for by a curious blunder, calculated to mislead the unwary student, in the column headed geneva, Whitting ham s New Testament of 1557 has been printed. A complete enumeration of versions and editions of versions consulted by me will be found in Chapter II. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
