

Cancer Nursing Practice: A Textbook for the Specialist Nurse (Paperback)

By Nora Kearney, Alison Richardson, Paola Di Giulio

Elsevier Health Sciences, United Kingdom, 2000. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This textbook is unique in that it is the first European text for nurses practicing beyond the novice level in cancer nursing. Previously European cancer nurses have had to rely on North American texts, which are not always culturally transferable. The book presents a synthesis of important issues, which underpin the practice of advanced cancer nursing and are vital to experienced practitioners in moving cancer nursing forward. The central concerns of the book reflect the emerging roles of the advanced specialist practitioner and include advanced practice, education, management and research. The text is written by recognised cancer nursing experts from throughout Europe who collectively are involved in shaping the future of cancer nursing across the continent. Unique collection of authors from Europe who are recognised for their respective roles in shaping the future of cancer nursing. Key text for those engaging in postgraduate studies on practicing at an advanced level. Explores the different domains of advanced practice in cancer nursing which are necessary to move the specialty forward. Unique European text for cancer nurses wishing to develop expert knowledge. Based on current research data. Produced under the auspices...
