Organization for Economic Co-operation and Development (OECD), France, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Are students well prepared to meet the challenges of the future? Can they analyse, reason and communicate their ideas effectively? Have they found the kinds of interests they can pursue throughout their lives as productive members of the economy and society? The OECD Programme for International Student Assessment (PISA) seeks to answer these questions through the most comprehensive and rigorous international assessment of student knowledge and skills. Together, the group of countries and economies participating in PISA represents nearly 90 of the world economy. PISA 2009 Results presents the findings from the most recent PISA survey, which focused on reading and also assessed mathematics and science performance. The report comprises six volumes: Volume I, What Students Know and Can Do: Student Performance in Reading, Mathematics and Science, compares the knowledge and skills of students across countries. Volume II, Overcoming Social Background: Equity in Learning Opportunities and Outcomes, looks at how successful education systems moderate the impact of social background and immigrant status on student and school performance. Volume III, Learning to Learn: Student Engagement, Strategies and Practices, examines...
