It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

RED CLOUD: WARRIOR-STATESMAN OF THE LAKOTA SIOUX (PAPERBACK)

University of Oklahoma Press, 1999. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Perhaps no Indian leader of the mid-nineteenth century was as well known in his time as the great Lakota Sioux Red Cloud. Red Cloud was not born to leadership. He earned it. In his early years he gained a reputation for fierceness as a warrior and as a tactician against both whites and other Indian tribes. Although his motives at times were questioned, he steadfastly resisted encroachments on Sioux land during the reservation period, and he consistently protested the pressure by market oriented whites to impose an agrarian economy on a people who had never farmed. Red Cloud s passionate belief in the values of his culture prevented him from acting as a culture broker; nevertheless, he remained an important figure of the Gilded Age. Imbued with the new social and environmental historiography, this modern biography by Robert W. Larson is a valuable contribution to Sioux history and to our understanding of Indian-white relationships in...
