Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When security specialist Sean A.P. Ryan agrees to protect actress Mira Nikolic at a Science Fiction convention, he thinks it can't be all bad. It's only a three-day weekend with some colorful characters in costumes. But Sean is hardly prepared for what awaits him; the costumes, the fanboys, the freaks and geeks are only the beginning. There are actors with attitude problems, writers with rabies, and how do you spot an assassin when everyone is wearing a mask? This doesn't even account for the real threats. When his client left Europe, she had been a figure of peace in a region that didn't want it. Now that she's an international celebrity, factions from the old country see her as the start of a reunion tour, with guns. Not only that, but she is being stalked by Middle Earth's Most Wanted Elven Assassin; he thinks that the actress is actually an Elven princess, and will do anything to prove it to her, including murder. And what is that body doing in the middle of the vendor's floor with a sword-cane through his chest?.
