HarperCollins Publishers, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. A revolutionary new self-help book by top flight game designer Jane McGonigal. After suffering a brain injury, Jane McGonigal came up with a game to help aid her recovery and battle the ensuing depression she experienced. Half a million people have now played this game to astonishing results: depression gone in 6 weeks in some cases and even terminal cancer patients reporting that playing the game gives them a sense of control over their own health. The book shows readers how to use these techniques to find strength and create positivity: readers can look to their own `power-ups which are little things they can do to feel better and tackle the hurdles in their own lives. This book provides simple step-by-step ideas that can be carried out in day-to-day life, helping you transform your life with a new flexible and reenergised mindset. In this book McGonigal uses her own story and those of others to expertly demonstrate how simple changes can result in dramatic life-affirming effects. And what s more, she tells you how you yourself can lead a more gameful life.
