BRAND NEW, Quicklook at Defence, Stuart Middleton, Defence is vital to our nation's livelihood but just how is it dealt with in a time of rapid change, new challenges and shrinking budgets? Quicklook at Defence gives the answers and sets out the historic and strategic background to Britain's defence in the 21st Century. With a long history of military involvements, Britain continually works to protect and defend itself and its allies around the world. Today, defence is surrounded by political controversy and this book aims to cover exactly how it fits into government, foreign policy, international law and other institutions.
