Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which it basically changed me, modified the way I really believe.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Seeds of Truth The composition of these few poems was suggested to my mind while meditating upon the principles taught in the words of our Saviour: Render unto Caesar the things that are Caesar s, and unto God the things that are God s. May the spirit of the author and the finisher of our faith direct the mind and influence the heart of each reader in such a manner as to awaken a longing desire for the enjoyment of that sweet freedom which in Christ Jesus alone is found. Should this little book prove a means in God s hands of saving one soul, the author will one day thank God that her labor was not in vain.
