

The Other Daniel: A Camille Grisham Novella (Paperback)

By John Hardy Bell

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Daniel Sykes is one of the country's most notorious serial killers. And Jacob Deaver is tasked with writing his biography. For the fledgling true-crime author, it is the opportunity of a lifetime; a guaranteed bestseller. But not everyone is sold. Camille Grisham, the former FBI agent responsible for Sykes capture, thought that the worst chapter of her life had finally been closed, until Deaver approaches her in a coffee shop with a most unwelcome proposition. The unforeseen turn that follows will thrust Camille into the harrowing wilderness of the past, while revealing a terrifying new menace that threatens to destroy the post-FBI life she has worked so hard to build. It will also bring her face to face with a psychopath the likes of which she has never seen. And in the end, a frightening new chapter will be written. The Other Daniel is approximately 17,000 words - equal to 60 printed pages. It is a novella, not a full-length novel.
