Palgrave MacMillan, United Kingdom, 2012. Paperback. Condition: New. 2012. Language: English . Brand New Book. From career development to retirement, and from marriage to bereavement, psychological development is a never-ending process. Adulthood is a time of change and transformation, and presents many unique challenges and opportunities. Combining classic studies and cutting-edge research, Oliver Robinson s Development through Adulthood will guide you through this rich and rewarding subject. Key features: * Uniquely covers qualitative as well as quantitative research; * Individual voices bring theories to life by providing insight into real life experiences; * Cross-cultural perspectives and alternative perspectives provide examples from beyond the UK and US, offering an important counterbalance to western research; * Real-world application features highlight important intervention strategies. Development through Adulthood provides a unique interdisciplinary approach, making it invaluable reading for anybody studying human development, gerontology or an applied social science. Academically rigorous and elegantly written, it s the perfect guide to classic and current research in adult development.
