## A Really Basic Introduction to Capital Gains Tax (Paperback)

By Michael Lambarth

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. UPDATED TO OCTOBER 2015. This book is exactly what it says it is; a really basic introduction to UK capital gains tax. No previous knowledge of the tax system is needed as the book explains all terms in full and does not try to impress with complex terminology. This book will give you a good understanding of capital gains tax and how it works with the assistance of practical examples. It will help you understand your own personal tax affairs. It will also help you if you are undertaking any course of study where knowledge of capital gains tax is required, such as law, accounting, business, management or finance. The narrative is clear, concise and accessible, and can be read from start to finish in several sittings to give a good, basic appreciation of the subject. The book includes an explanation of what is meant by capital in this context, and looks at how to calculate the tax, sales of part of an asset, chattels, shares, common tax reliefs, losses and, briefly, the position of companies. The Really Basic...
