

## The Art of Chaos: The Aesthetics of Disorder and How to Use It to Do Magic, Change Your Life and Be Lucky (Paperback)

By Robin Sacredfire

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If you feel or ever felt lost in life or know someone that does, this is the perfect book for you. After traveling to over fifty cities around the world, most of the times without any plan whatsoever regarding what or who I would find, how much money I would lose or gain, or what I would do or not, and, especially, after meeting many people doing the same, in some cases for decades, a pattern start emerging from such experiences. From this awareness came an understanding that vastly surpassed everything I ever knew about spirituality. And yet, I didn't stop my personal research here, as I kept investigating the implications of such observations with those that have done the same but left their country and family behind to join religious organizations. One way or another, we see people moving, creating new connections, exploring new ways of forming relationships and loving, rediscovering and finding a new self with a combination of elements, that more often than not, dissociate them entirely from their past and previously assumed convictions towards themselves...

### Reviews

*It becomes an amazing ebook that we have possibly read through. It is really simplified but surprises within the 50 % from the ebook. You can expect to like how the blogger compose this book.*

-- Ms. Shaina Legros III

*Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. Its been written in a remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.*

-- Prof. Vanessa Smitham V
