Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Salvation, the chief subject of the Christian faith, is an inexplicably neglected subject in the subjects and contents of today s Christian literature - consequently, there is so little understanding about this foundation;many church people don t know how to explain the new birth and an astonishing number of people in churches are not born again. Now it seems good to the Holy Spirit and to us to write a timeless classic on this foundational area. Translated is perhaps the most unique book so far written on salvation and fills a gaping void. Translated reads like a terrific novel of distinct and yet uniquely connected stories; it provides answers to many questions that have begged answers for generations! How do the Words of Jesus connect with the happenings and news headlines in our world today? Did Jesus address homosexuality, terrorism, wars and global warming? Why did Jesus use the expression Ye must be born again ? Considering how important it is to be born again why did Jesus only use that expression when talking to Nicodemus? Why did Jesus never use the words Born again after the night meeting with Nicodemus? If to be born again is the most important ingredient of the Christian faith and if the New Testament is a continuation of the old, why was the expression born again never used in the Old Testament? How does the story of Zacheus in Luke exemplify translation? What did Jesus want us to learn by giving salvation to the thief on the cross just before He gave up the ghost? What connects the story of the woman of Samaria at the well with that of Zachues and the thief on the cross?...
