Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Born with the condition Anti-social Personality Disorder (AsPD), Thomas wasn't abused or neglected as a child. Instead he was adopted as a baby into a loving, god-fearing family. Little did his adopted parents realise the dark truth that lay at the core of Thomas and how it would affect their lives. This isn't a work of fiction. Thomas is very real and is living amongst you today with his wife and children. Thomas is not this person's real name and some of the event details have been changed to hide identity, but here you're invited to share in some of the key moments in Thomas' early life.
