

## Vryl (Paperback)

Filesize: 9.65 MB

### ***Reviews***

*This book will not be straightforward to start on studying but really fun to read. it absolutely was writtern really flawlessly and helpful. You can expect to like just how the writer write this publication.*

*(Glenna Goldner)*

## VRYL (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is an assembly of content resulting from a personal search and exploration of the Divine Language. Call it Adamic, vryl, language of the birds, language of god, or what-have-you: the pure language deals with the fabrication construct of the universe. Due to the nature of the work, this book is mostly graphic in nature. Please note: This is not a history, nor a compilation of pursuits, concerning the divine language. There are books about such; this is not one of them. This book is more akin to one more crack-pot throwing his hat in the ring. This is not a magnum opus. At worst, it is a curio. At its best, a means to sail the Duat, to broach the otherworld, or divine, if you prefer. Regardless, this work is a foray into xenolinguistics, cryptology, vryl, mathematics, semiotics, geometric impregnation, and universal synthesis.
