The fourth is in the court of the palace Verospi. The fifth and sixth are likewise in the Capitol; but their heads--one of which is antique, and the other modern, and covered with a helmet--do not belong to them; and neither corresponds to the statue upon which it is placed. The restorers of the last two statues did not understand that the heads of the Amazons are characterized by a definite idea, and to such a degree, that those of the four firstmentioned statues appear to be the heads of sisters, and taken, as it were, from the same mould. There is no difference even in the hair, either in its arrangement or execution; the countenance of all expresses what the word virago signifies. There are, however, in the Capitoline museum two heads perfectly similar to the others, and very well preserved, which, if they had been recognized, might have been placed upon those statues of Amazons which have not their original heads, for these supplemental heads are not in keeping with the rest of the body. No heads would have furnished to our artists better models for figures of the Holy Virgin than these, if the idea of using them for this purpose had ever occurred to any one. In the villa Pamfili is an Amazon (17), above the size of life, --as these figures always are, --which the process of restoration has converted into a Diana,...
