Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I know how to get the Sword of Light, but I can't do it by myself. I need the help of an old acquaintance, but I don't know where to find him and he probably isn't on my side anyway. Still, I have to try. If I fail, both Ireland and the Otherworld will suffer. The problem is, I'm not sure the Sword will be enough to stop Cichol, the vengeful Fomori king I inadvertently freed from his eternal prison. Once he reforges Calabolg, he'll be almost unstoppable, and he's sworn to kill every last person in the Otherworld. The entire Order of the Shamrock will have to risk their lives to save both worlds, and we're going to have to convince our ancient enemy, Maeve, the Queen of the Sidhe, to risk hers as well. There won't be any second chances this time. Either we defeat Cichol and keep Maeve from betraying us, or everyone I know and love will die.
