Puzzle Peace: Living the Abundant Life in the Age of Anxiety (Paperback)

By Alan H Collier

George the Duck Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Alan never wanted to be a lawyer - let alone a partner in an international law firm in downtown Los Angeles. However, when he walked into his college library back in 1986 and saw an ad for a full scholarship to Pepperdine Law School in Malibu, his life changed forever. His life as an aviation lawyer took him all over the world, and he had everything he had ever dreamed of - a fulfilling marriage, four beautiful children, and a beautiful home in the country. So what happened? How did anxiety and depression overcome him? This is a story of hope in the middle of the impossible, of joy arising out of despair, and how God can sometimes have a Secret Option C in your life if you let go and trust Him. Filled with vulnerability, wisdom, and humor, Alan tells his timely story for all those struggling through this age of anxiety, and providing insight into how to live the abundant life God calls us to.
