Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

FIRE, BED AND BONE: READING GUIDE

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Fire, Bed and Bone: Reading Guide, Henrietta Branford, This Reading Guide is aimed at the student and offers a 'way in' to different aspects of the novel of the same title. Activities engage students and enhance their reading of the novel. There is also a particular focus on writer's craft, in line with the requirements of the new curriculum. The Reading Guide is illustrated and has a magazine-feel to appeal to students. It can be used during the early stages of a Scheme of Work based on the novel, and can also be built in to lessons as the reading progresses and to support further reading activities.
