

## Day of the Iguana (Paperback)

By Henry Winkler

Penguin Putnam Inc, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book. Inspired by the true life experiences of Henry Winkler, whose undiagnosed dyslexia made him a classic childhood underachiever, the Hank Zipzer series is about the high-spirited and funny adventures of a boy with learning differences. It's science project time in Ms. Adolf's class. This is good news and bad news for Hank—he loves science, but he hates the report part. So Hank turns to TV to take his mind off things. But when the program directory scrolls by too quickly for Hank to know what's on, he decides to take apart the cable box to try to slow down the crawl. Great! Now Hank has found the perfect science project! But what he wasn't counting on was his sister's pet iguana laying eighteen eggs in the disassembled cable box. How is Hank going to get out of this one? Illustrated by Carol Heyer.

### Reviews

*The book is great and fantastic. Better than ever, though I am quite late in starting reading this one. I realized this publication from my dad and I advised this ebook to find out.*

-- **Dr. Blair Mann**

*Absolutely essential read book. It is probably the most incredible pdf I have got read through. You will like the way the writer publishes this pdf.*

-- **Griffin Hirthe**
