THE INVENTION OF GREEK ETHNOGRAPHY: FROM HOMER TO HERODOTUS (HARDBACK)

[DOWNLOAD PDF](#)

Oxford University Press Inc, United States, 2012. Hardback. Condition: New. New. Language: English . Brand New Book. Greek ethnography is commonly believed to have developed in conjunction with the wider sense of Greek identity that emerged during the Greeks encounter with the barbarian -Achaemenid Persia-during the late sixth to early fifth centuries BC. The dramatic nature of this meeting, it was thought, caused previous imaginings to crystallise into the diametric opposition between Hellene and barbarian that would ultimately give rise to ethnographic prose. The Invention of Greek Ethnography challenges the legitimacy of this conventional narrative. Drawing on recent advances in ethnographic and cultural studies and in the material culture-based analyses of the Ancient Mediterranean, Joseph Skinner argues that ethnographic discourse was already ubiquitous throughout the archaic Greek world, not only in the form of texts but also in a wide range of iconographic and archaeological materials. As such, it can be differentiated both on the margins of the Greek world, like in Olbia and Calabria and in its imagined centers, such as Delphi and Olympia. The reconstruction of this ethnography before ethnography demonstrates that discourses of identity and difference played a vital role in defining what it meant to be Greek in the first place long before the fifth century BC. The development of ethnographic writing and historiography are shown to be rooted in this wider process of positioning that was continually unfurling across time, as groups and individuals scattered the length and breadth of the Mediterranean world sought to locate themselves in relation to the narratives of the past. This shift in perspective provided by The Invention of Greek Ethnography has significant implications for current understanding of the means by which a sense of Greek identity came into being, the manner in which early discourses of identity and difference...
