Apres avoir analyse des politiques d individualisation des enseignements menees en France, nous proposons une methode pratique nee d une experience menee en classe pleniere et de son retour critique. Mots cles Differenciation, individualisation, competences, evaluation, exercices progressifs et differencies, suivi. Abstract: This experimental essay deals with how to differentiate teachings inside heterogenic classrooms. We first cast a regard on what is nowadays made in France in terms of differentiations of teachings. Then we show how we organized our teachings by diagnosing the difficulties of our students through their oral and scriptural productions, how homogenic and heterogenic groups where created, and how differentiated and progressive exercises where provided so that they can access to the higher levels of their competences. Keywords: differentiations, individualization, inclusion, teachings, evaluation, competences.
