

Thirteen Ways of Looking at a Man: Psychoanalysis and Masculinity

Filesize: 6.19 MB

Reviews

A whole new e book with a new point of view. This is certainly for all those who statte there had not been a well worth looking at. I am just very easily could get a delight of looking at a created pdf.
(Hyman Goyette)

THIRTEEN WAYS OF LOOKING AT A MAN: PSYCHOANALYSIS AND MASCULINITY

Routledge, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Donald Moss's Thirteen Ways of Looking at a Man is undoubtedly one of the most important books of the past decade on the complexities of the development of male gender identity. The book, as reflected in its title, offers no "solutions" to the questions it raises; rather, it examines the problem of gender identity from a number of vantage points, each of which complements, but also complicates, the others. What for me is a particular pleasure in reading this book is the writing itself--writing that is often used to describe some of the author's own experiences as a boy faced with the daunting task faced by all boys in their efforts to grow up to be a man in one's own terms. - Thomas Ogden, Personal and Supervising Analyst, Psychoanalytic Institute of Northern California Donald Moss has written a brilliant, emotionally unsettling and brave book. The ostensive topic of Moss' book is a close look at masculinity, but actually this book is an examination of "masculinities" that turn the standard normative forms of gender inside out. In Moss' project, the canonical has become symptomatic. Through the psychoanalytic lens he deploys so deeply, Moss illuminates how much all our struggles with desire and loss inevitably overwhelm us in the project of forming and becoming selves, with dangerous and destructive consequences. We are all inevitably displacing and expelling those aspects of body and mind that frighten and shame us into the bodies and lives and minds of weaker and more vulnerable people. This is Moss' original and potent way of thinking through misogyny, homophobia, and the often murderous attitudes toward difference and otherness, including "trans" experience. Moss asks us to see that these refusals and disavowals of...
