But we most know how to distinguish true devotions from false devotions, and this book explains how. Then we must understand the motives and benefits of consecration. Louis describes both exterior and interior forms for devotion, special prayers for Holy Communion, and a prayer of consecration. Louis de Montfort was a French priest and missionary to the poor. His reputation as an energetic preacher has been matched by the enduring power of his writings. He was canonized by Pope Pius XII. This edition includes the prayers of the Little Crown of the Blessed Virgin.
