

## Macclesfield History Tour (Paperback)

By Paul Hurley

Amberley Publishing, United Kingdom, 2016. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Macclesfield is an ancient Cheshire town that stands beneath the sprawling and beautiful Peak District. It is Cheshire s farthest outpost before taking the road into Derbyshire; many years ago it entered the Industrial Revolution in a more genteel manner by becoming a silk town. Here all manner of silk items were manufactured, such as the narrowest ribbons and the best of silks and satins. It is the perfect base from which to explore Macclesfield Forest and the Cheshire Peak District but the town itself has plenty to offer, including the Heritage Centre with its museums and tea room. Macclesfield History Tour is a unique insight into the illustrious history of the town, its well-known streets and famous faces, and explains what they meant to local people throughout the nineteenth and into the twentieth century. Readers are invited to follow a timeline of events and watch the changing face of Macclesfield as author Paul Hurley guides us through the local streets.
