Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. USA Today best-seller, book two in the McMaster the Disaster series, with all new Disaster Diary entries. Josie McMaster is on the move to London for a top-secret stint as a ghost-biographer for a high profile celebrity. It s her dream job; she s got a beautiful place to stay in the English countryside, full access to the celebrity, and three months to complete the best ghostwritten autobiography anyone has ever seen. In true McMaster the Disaster fashion, Josie tumbles head-first into scandal, apparently more than just an average ghostwriter in the eyes of this new celebrity. Not to mention she has never written a biography, but.how hard could it really be? Of course, the paparazzi aren t helping matters, constantly publicizing the when will Jake Hall pop the question betting pool, which is completely ridiculous considering she and Jake have only been dating a short while.or is it?.
