The Politics of Black Empowerment: The Transformation of Black Activism in Urban America (Paperback)

By James Jennings

Wayne State University Press, United States, 2011. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. An analysis of Black politics since the late 1960s. In analyzing Black politics since the late 1960s, James Jennings focuses on both the behavioral aspects, such as individual and group characteristics of voting and nonvoting and elections, as well as more fundamental philosophical and cultural questions regarding Black politics. This study examines how the traditional face of Black politics and electoral activism interacts with a growing progressive face of Black politics. While traditional Black political activists seek access or political incorporation, another group aims for power sharing. The traditional approach is sometimes satisfied with merely replacing white politicians with Blacks, but the progressive constituency focuses on fundamentally changing the whole economic and political pie. Activists desirous of Black empowerment are pursuing a political and economic orientation that goes beyond programs based on access to American institutional arrangements and attempting to change or alter given political arrangements and social relations between Blacks and whites on the basis of changing the social structure and the distribution of wealth and power. Based on interviews with Black and Latino activists in several big cities as well...
