Archway Publishing, United States, 2014. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.In Russia, it is said, Nothing and everything is possible. In Inside Out, author Glenn Williamson explains the award-winning development of St. Petersburg s first modern Class A office/retail center by a multinational team of Americans, Russians, Brits, Turks, and Finns. Inside Out provides a fascinating memoir of his experiences working as a developer in Russia in the 1990s while balancing a home life with a new baby son. With unique and astute anecdotes, it offers insights into Russia, its people, and its culture. Inside Out, funny and serious, sincere and sarcastic, narrates the anatomy of a real estate deal. Now, at a time when America and Russia consider ways to reset their relations, Williamson s story shows how actual players on all sides of a complex business and personal adventure looked for, and ultimately found, a common language. If you ever wondered what a developer does all day - especially one developing in Russia - all your questions will be answered by reading this fascinating story. Dr. Peter Linneman, Linneman Associates.
